

NURLAN OSMONALIEV

Frontend Developer

About Me

As an experienced Frontend Developer with over a year of professional practice, I excel in creating interfaces that captivate users and provide outstanding experiences. My skill set encompasses HTML, CSS, JavaScript, React, and Bootstrap, allowing me to contribute effectively to projects and collaborate seamlessly within a team environment.

Experiences

(2022-2023)

Stakan.kg

FRONTEND DEVELOPER

- Advanced UI Development:** Leverage proficiency in HTML, CSS, JavaScript, React, and Bootstrap to craft sophisticated user interfaces that align with design specifications.
- Responsive Design Implementation:** Ensure seamless accessibility and usability of web applications across a diverse range of devices, including desktops, tablets, and mobile phones.
- Optimized Codebase:** Write, refine, and maintain well-structured, efficient code to enhance the performance and scalability of web applications.
- Backend Collaboration:** Foster close collaboration with backend developers, actively participating in the integration of frontend and backend functionalities for seamless user experiences.
- Cross-Browser Compatibility Assurance:** Rigorously test and debug code to guarantee consistent and optimal user experiences across a variety of web browsers and platforms.
